Prove It! Catholic Teen Bible - Revised Nab Book Content Preview:

Sometimes the answers aren't enough. Sometimes you want to know why they're the answers. Any Bible can answer questions. This is the one that explains why those answers are the answers. In twenty-five very compelling tabs spread throughout the Bible text, Prove It! The Catholic Teen Bible gives the why to the biggest questions of all. To the questions you've been asking your parents, your teachers, your friends ... yourself: ---What's life all about and where do I fit in? ---What's my life all about, and where do God, family, friends, and all the rest fit in? How do I know God even exists, and what do the life and death of Jesus have to do with me right here, right now? If God loves us all, why should I bother taking my Catholicism seriously? If all religions are pretty much the same, why be a Catholic at all? Here is the inspired Word of God. Here is how to read the Bible how to understand, to de-code, what its authors were saying to their particular audiences thousands of years ago. And how to truly hear what the Holy Spirit is saying to you today about God, Jesus, Church, prayer, and ... you.
